THE CLASS OF '91

Now that we have graduated
And are out of high school,
It's time for us to look ahead
Time to be calm and cool.

But we will miss these last four years
And all the friends we've made.
We won't forget the joy or tears --
Those memories won't fade.

We started out as freshmen,
Not knowing what to do.
We were so scared and nervous then,
Yet somehow we got through.

Each day we grew more sure.
Sophmore year finally came.
Junior year we were so mature --
Never to be the same.

Our senior year was so much fun.
We all had such good friends.
The past four years were almost done,
High school had come to an end.

Those were times never to forget,
Thoughts to always treasure.
Remember everyone we met
With sadness or with pleasure.

Our memories won't ever die
And we will forget none,
Those special times at Lowell High
The Class of '91.

WITH APPRECIATION

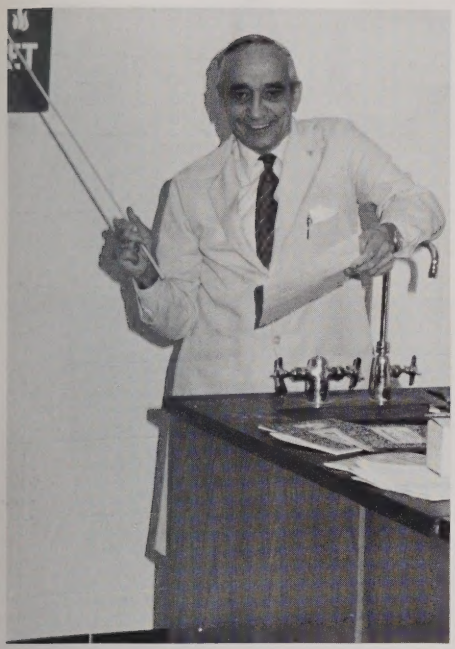
As the class of 1991 graduated, nine staff members retired from LHS. Their combined years of service to our school is an amazing 251 years. Our thanks and our wishes for their happiness and good health go with them as they leave Lowell High.

Nicholas Apostolakos - 40 years - Bursar of the school and former teacher in the Business Education Department

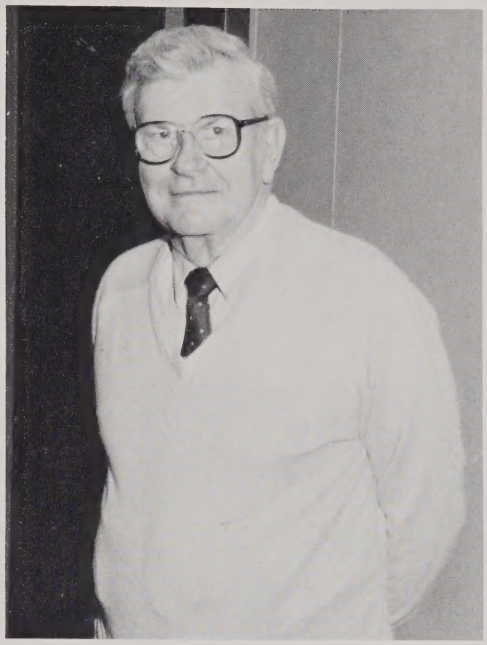
Lena Cirasella - 15 years - custodial department

Nancy Deeney - 30 years - teacher - Home Economics Department

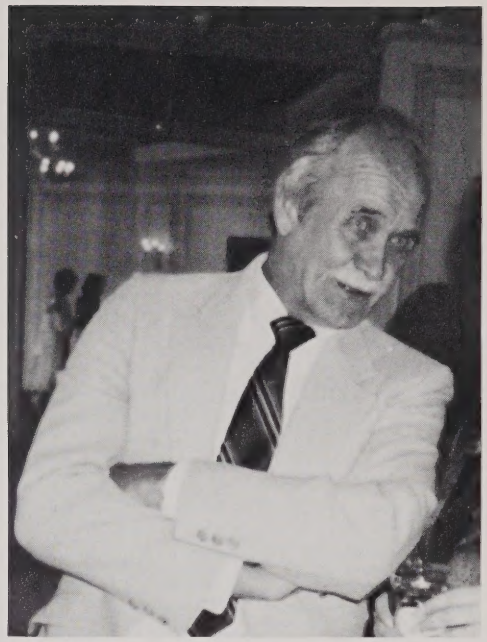
Mary Eyres - 43 years - clerk - Headmaster's Office



Cristos Georgoulis - 27 years - teacher - Science Department



Arthur Hickey - 26 years - teacher - Social Studies Department

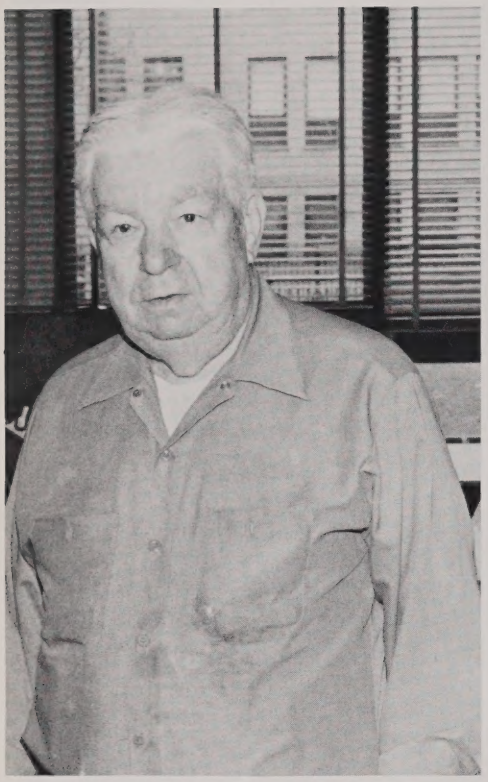


Charles Mackey - 25 years - Teacher - Industrial Arts

Albert Mangan - 45 years - Athletic Director

Rafael Miller - 17 years - Mathematics Department Head

IN MEMORIAM



Earl Ames

Edward Babigan

The Lowell High School community was saddened this year by the death of two longtime staff members -- Earl Ames and Edward Babigan. Earl had been a custodian for twenty five years. Ed was a chemistry teacher over the same number of years. They served the students of LHS long and well -- with affection and humor. Both performed their jobs with caring and dedication. May They Rest In Peace.

Students at Lowell High School will remember well their 1990-91 school year as one which witnessed Operation Desert Shield become Operation Desert Storm. The memories of this war and the renewed patriotism experienced by Americans prompted the Review staff to dedicate a wrap-up and reflection of the sights and sounds of the U.S. led coalition's victory over a stubborn Saddam Hussein of Iraq.

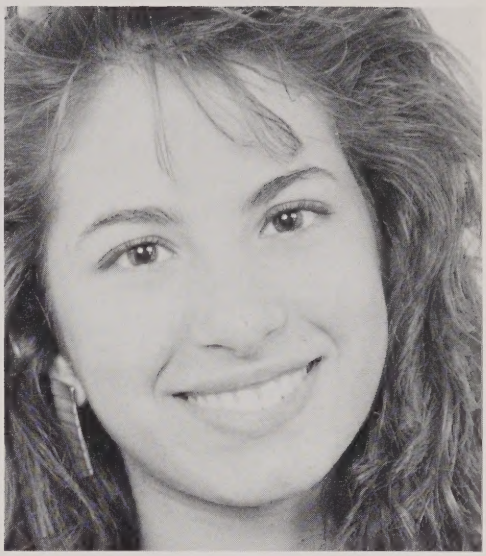
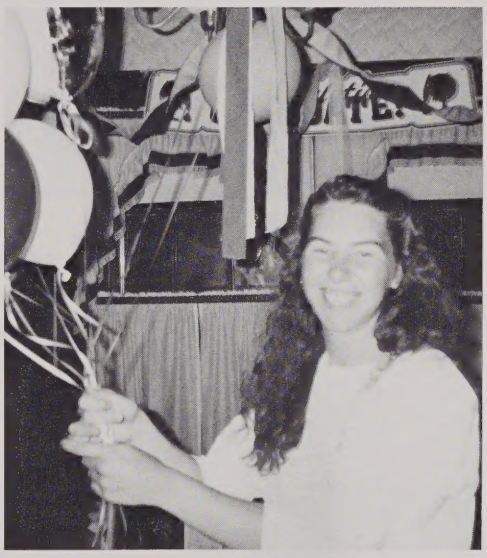
THE SPINDLE





The Spindle staff wishes to extend thanks to Mrs. Patricia DelLlano of the LHS Art department and Sue Freitas for the drawing of out frontspiece. Pov Suos served as our student photographer. Katie Sullivan produced two collages. We are grateful as well to our classmates who contibuted information for the various writeups. We hope that you will enjoy the product of our efforts for many years to come.

Sincerely,

Rebecca Cohen, Kathleen Dowling, Sophia Fotopoulos, Elizabeth Marshall, Stephanie Stickney and Kimberly Sullivan.

About The Show

Cole Porter's glorious songs are the highlight of ANYTHING GOES. The show as it is now presented on the stage is the 1962 adaptation which enjoyed a long and successful run in New York. The score features such rich and pungent Porter numbers as *It's Delovely, Friendship, I Get A Kick Out of You, Anything Goes, Let's Misbehave, Blow, Gabriel, Blow, All Through the Night,* and *Take Me Back To Manhattan.*

The entire action takes place on the "S.S. American" sailing from New York to England. Sailing are beautiful American heiress Hope Harcourt, her foppish fiance Sir Evelyn Oakleigh and Hope's mother. Other passengers are Bishop Dobson, shepherding two Chinese converts, Elisha J. Whitney, pompous Wall Street broker and ex-evangelist Reno Sweeney with her bevy of beauties. Billy Crocker, Whitney's flunkey does not plan to sail, but when he finds that his old friend Hope is going to marry the guffawing Sir Evelyn he decides to stowaway to try and break up the proposed marriage. Moonface Martin, Public Enemy Number 13 sails with his moll Bonnie. Billy accepts from the Public Enemy the passport and ticket of a gangster friend of his who did not quite make the boat. Moon and Billy find it necessary to change disguises to keep from being recognized. Reno tries to vamp Sir Evelyn so that Billy can free Hope from him. This fails to work and Billy is recognized as an infamous gangster. All on board feel that Public Enemy Number One adds glamor and excitement to the voyage. A revivalist meeting is held and Billy confesses he is not the gangster. He is arrested for impersonating a celebrity and Moon joins him in the ship's brig. Billy and Moon change clothes with the Chinese converts. In this disguise they convince Sir Evelyn not to marry Hope and a telegram from Washington reveals that Moon is no longer a Public Enemy. HOCKEY

The Lowell High hockey team had a no win season, but they managed to tie two teams -- Dracut and Andover. It was truly a building year for a young squad which consisted mainly of freshmen and sophomores. Considering the nature of the competition in the strong MVC league, the Raiders did as well as could be expected. Mike Quinn, a sophomore, was the league's 4th highest scorer. Honored by the Friends of Lowell High were:
MVP: Mike Quinn
MIP: Matt Hughes

150 YEARS AT LHS

LHS opened its doors, at the corner of Middlesex and Eliot Streets in October of 1831, to 47 students ... the first coeducational high school in the country ... the school opened 4 years before the first steam train ran between Boston and Lowell ... for nine years the school moved from place to place ... before 1840 there was one principal and usually one assistant, because of a lack of funds and space ... in 1837 studies taught included Latin, Greek, French, English grammar, U.S. History, Natural Philosophy, Mental Philosophy, Astronomy, Algebra and Geometry ... quite a teaching program for two persons ... from Decembér of 1840 until 1867 it was located on Kirk and Anne Streets ... it was then considered one of the best school buildings in the state ... this move resulted in a change in the arrangement of the school ... girls and boys were separated until 1866 - 67 when remodeling of the site was undertaken and the classes were integrated ... in 1848 the first student publication was founded ... diplomas were first given in 1858 to a class of 17 girls and 7 boys ... examinations for admission to the school, at first oral, afterwards written, were for many years, conducted by the school board four times a year ... in 1859 James Carney gave money for medals, three for girls and three for boys, to be assigned for excellence in character, attendance and scholarship ... these medals are still being awarded ... by 1883 186 boys and 181 girls were in attendance ... in the 1880s boys were required to participate in military drill ... physical education for girls was begun in 1889 ... in 1891 it was decided to raze the school and rebuild on the site ... LHS moved to the old Mann school house and to rooms in the Worthen Street primary building ... the cornerstone of Coburn Hall (the first building of the preent LHS complex) was laid in June 1892 ... it was ready for occupancy in October 1893 and cost $192,800 ... the school contained fifteen classrooms, one recitation room, a library, two laboratories and two lecture rooms ...in 1900, a new building on Paige street was begun for the better accomodation of manual training, commercial courses and drill facilities for the regiment ... it contained several school rooms, a large drill hall, rooms for the commecial department and manual training department ... now the site of the two Clement McDonough Magnet schools ... in 1916 the land of the Kirk St. church was seized for the site of an addition to the school (the Sullivan Building) ... the cornerstone of this addition was laid on the summer of 1920 ... it would contain a “theater, restaurant and two gymnasiums” ... it would cost $1,541,011 ... by 1936 student enrollment was over 3,500 ... it exceeded 4,000 by the 1940s ... after years of discussion the “new building” was completed in 1980 ... it featured an enclosed walkway over the canal, a gymnasium, a swimming pool, a cafeteria, laboratories, classrooms, department centers and administrative offices ... the Sullivan Building and Coburn Hall were completely refurbished ... the cost was in excess of $12,000,000.

For over 150 years Lowell High School has been like the Statue of Liberty, beckoning one and all. It is this spirit as well as its remakable history which makes our school a mirror image of this country's development, ethnic diversity and strength.
